

Is this the face of Quebec in 10 years?

A European masters athletics champion at 95, Emiel Pauwels was euthanized because he had stomach cancer. He was not yet at the end of life. Pauwels still looked a picture of vigor when he celebrated his impending death.

Say **NO** to EUTHANASIA
disguised as “medical aid to die”

Because safeguards are impossible to control.
The Belgium experience shows, they are transgressed one by one

Unmask
Medicalized killing
