

# Is this the face Of Quebec in 10 years?

In Oregon, Barbara Wagner was denied chemotherapy, but was offered “medical aid to die” by assisted suicide, by the Oregon Health Plan. In Quebec, in a context of budget cuts... imagine if you were offered euthanasia instead of chemotherapy.

**SAY NO TO EUTHANASIA**  
disguised as “medical aid to die”

Because safeguards are impossible to control.

The Belgium experience shows, they are transgressed one by one.

**Unmask**
