

# Is this the face Of Quebec in 10 years?

In Belgium, an elderly couple asked and obtained a double euthanasia. The 83 year-old husband had terminal lung cancer. His 78 year-old wife had age related illnesses but she was not at the end of life.

**SAY NO TO EUTHANASIA**

disguised as “medical aid to die”

Because safeguards are impossible to control.

The Belgium experience shows, they are transgressed one by one.

**Unmask**

**Medicalized killing**
