

# Is this the **face** Of Quebec in 10 years?

In Belgium, the government adopted a law allowing euthanasia for severely-ill children.  
The law also lifts age restrictions on euthanasia.

**SAY NO TO EUTHANASIA**

disguised as “medical aid to die”

Because safeguards are impossible to control.

The Belgium experience shows, they are transgressed one by one.

**Unmask**  
**Medicalized killing**
